## Your PTA Dollars at Work

We are very fortunate to have a generous and involved parent community, which has supported us for many years. This year, PTA members voted to use our funds to provide Grade Level Grants for each grade level at our school. You may have received surveys from your teachers on various options. Based on the consensus between teachers and parents, PTA has approved some grants already and is processing some of the others received. Come to a PTA meeting to learn more.

The Kinder teachers applied for a PTA grant to purchase tricycles for the playground, to help develop gross motor skills. They are helping with cooperation, sharing, and friendship, too!

## March 14 - Martin and the Green Guitar

PTA is sponsoring this interactive music assembly, on March 14th, focused on building a sustainable future and promoting ways to encourage students to a better understanding and responsibility towards the environment.
