

Marker Recycling Program

This spring one of Brookvale's kindergarten classes started a marker recycling program as part of an Earth Day project. **Student Council** and **Brookvale PTA** have partnered with the class to promote this effort.

Marker Recycling Program

1. Collect all brands of used markers from classroom and home.
 - General Coloring
 - Highlighters
 - Dry Erase
 - Permanent (Sharpie, Flair)
 - No crayons, No ink pens
2. Give markers to your child's teacher.
3. Keep collecting. Program will continue next school year.

Let's keep used markers out of the landfill!

Don't forget:

- Bring to teacher
- ALL brands and types
- Continues next year

Thank you for participating!
